

BRING INDUSTRY-SPECIFIC EXPERTISE INTO YOUR INVESTMENT'S EQUATION

Investing in Healthcare is one of your objectives. Counting with a hands-on experienced **Operating Partner** will help your firm:

Pre-Investment

- Initial prospection, screening and Targets identification
- Target's business model and strategy assessment
- Project's Business Plan formulation and validation

Post-investment

- Support and monitor achievement of the Business Plan targets
- Temporarily replace or reinforce key functions
- Target's Advisory / Management Board

What I will bring to your investment projects

Extended successful experience in:

- Strategy formulation and implementation
- Results and efficiency improvement
- Change management
- Business growth
- Deals negotiation
- Management teams' leadership
- Restructuring companies and organizations
